John Hunt Publishing, United Kingdom, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Snapshot Americana is creative non-fiction that looks into the eyes of the disadvantaged, with writings from 2006-2008. It s about witnessing the privileged roll up their sleeves to make sure the less fortunate eat. It s about watching people battle for their values while those who mock stand no more than five feet away. Most importantly, it s about leaving that zone of comfort and exploring unfamiliar areas and circumstances: situations involving gentrification, infestation, police harassment, ways of self-governing; conversations with those who have suffered, and are still suffering, due to the destruction caused by Hurricane Katrina; laborers on strike; and a unique discussion concerning the possibilities of global destruction with a woman who has been living on the street, across from the White House, since the Reagan Years.among many other things.
